

YAKULT LADYBUG

1 MATERIALS

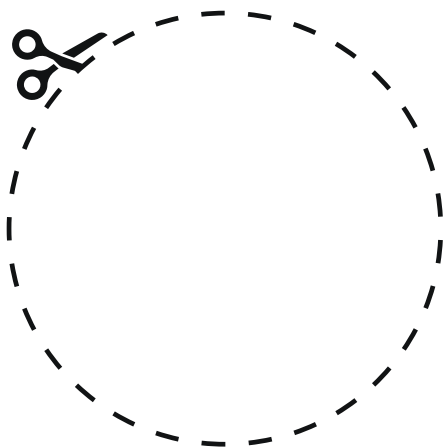

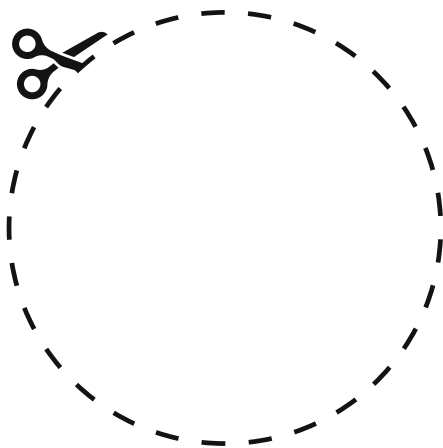

- Yakult bottles
- Paint or markers
- Googly eyes
- Pom-poms and pipe cleaners (plus any extra craft supplies you'd like)
- Glue or tape
- Scissors
- Printable Ladybug worksheet (on the next page!)

2 STEPS

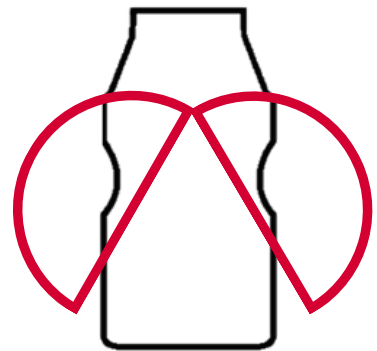

1. **Drink & Rinse** - Enjoy your Yakult, then wash and dry the empty bottle.
2. **Add Colour** - Decorate your bottle with paint or markers to give it colour and personality.
3. **Create Wings** - Decorate the printable wings, cut them out, and fold along the dotted lines.
4. **Get Crafty** - Add googly eyes, pom-poms, and pipe cleaners to create antennae, legs and spots on the wings.
5. **Attach** - Stick your wings to the front of your ladybug with glue or tape.
6. **Play & Display** - Use your ladybug for imaginative play, storytelling, or decorations in your garden!

YAKULT LADYBUG PRINTABLE WORKSHEET

1. Print this page
2. Cut out your wings and fold them in half
3. Colour and decorate both sides of your wings
4. Add any decorations (eg. pom poms for spots)
5. Stick the wings onto your Yakult bottle (see example below)

Where to stick your
ladybug wings
